MANUFACTURER'S DECLARATION

To whom it may concern:

GA Pet Food Partners Ltd declares that:

- The products bearing the Brand names of: '**Dog Family**' are dry processed pet food.
- They have been manufactured in the U.K. for: **Sklep MokryNos, ul. Wisniowa 9 55-080 Mokronos Dolny, Poland** in the above named manufacturing facility, which is approved and monitored by the competent veterinary authority of the U.K.
- The production batch code and product Best Before date are printed on every pack of product. The batch code contains information which permits complete traceability of every pack of pet food to the manufacturing facility and material suppliers. The Best Before date and the batch code contains information on the date the product was manufactured.
- The products are commercially prepared, packaged and labeled as pet food.
- The kibbles have been cooked during the process of extrusion to greater than 90 °C. core temperature for a minimum of 30secs at 550psi
- The product is in its original sealed packaging upon arrival.
- The Country of origin of the products is the United Kingdom and this is clearly identifiable on the packaging.

I certify that the above is true and correct.

Signed:

Name: Mr. Tom. de Lacey
